

# Better Training for Safer Food *Initiative*

**Aneta Herod, PhD**

# BTSEF

Better Training for Safer Food is an initiative of the European Commission aimed at organising an EU training strategy in the areas of food law, feed law, animal health and animal welfare rules, as well as plant health rules.

**2nd Quarter 2017**

# Legal substance for the main elements of animal IRT

## Module 1.2 Legal Base

Introduction to the group work methodology  
and setting up of three working groups  
(bovine, porcine, ovine & caprine)

## Methodology for group work

- Please identify the legal substance for the main elements/functionalities of animal IRT
- Please use the EU website on animal IRT to identify and review relevant legislation
- Please cite relevant article of the legislation and answer the question on a specific provision on animal IRT
- Please use the template to enter the information for the species allocated to your working group
- Each working group is working on one species

	<b>Element / Functionality of animal IRT</b>	<b>Bovine</b>	<b>Porcine</b>	<b>Ovine / Caprine</b>
1	Key elements			
2	Information held centrally on each holding			
3	Information recorded centrally on each animal / animal group			
4	Information held on - farm in a holding register			
5	Means of identification			
6	Information kept on mean of identification			
7	Deadline for identification of the animal, notification of a birth, movement, death, slaughter.			
8	Animal Document going with the animal (passport, movement document, trade document)			

**Group bovine - ....**

**Group porcine - ....**

**Group ovine & caprine - ....**

**B T S F**

# Group Bovine

## 1. Key elements of the IRT system

- (L): ...
- The system for the identification and registration of bovine animals shall comprise the following elements:

- ...
- ...
- ...
- ...

# Group Bovine

## 1. Key elements of the IRT system

- (L): Regulation (EC) 1760/2000 Art. 3
